

FEATURES

- Self-contained unit
- Used for light commercial packaging
- Uses any poly/nylon vacuum pouch (no need for expensive channel / embossed bags)
- **NEW – Model DZ-280/2SE can vacuum seal liquids and powders**

SINBO is the only light vacuum sealer on the market today that utilizes standard poly/nylon vacuum pouches. The SINBO is ideal for sealing food, medical, and clean room products.

- Now available! Three models in the SINBO family
 - DZ-280/2SD– 4mm wide seal
 - DZ-280/2SE – All in one sealer; can vacuum seal liquids and powders
- Impulse sealing system resulting in no warm-up time
- Can seal up to 11" wide poly/nylon vacuum pouches
- Controlled heat-sealer timer and automatic overheat warning indicator
- No outside compressor needed as unit is self-contained
- No need to purchase expensive channel bags because any standard vacuum able pouch will do
- Manufacturer's replacement kit includes – 1 flat heating element, 1 PTFE adhesive, sample vacuum pouches, and an instruction manual
- **Energy efficient, compact and portable**
